Subject: Ref 39528

Hello [REDACTED],

In response to [REDACTED] letter - ref 39528, dated 1st November 2022 - and as per [REDACTED] phone call earlier today, regarding the Rear Single Storey Extension at 31 North Avenue, Letchworth, please find below [REDACTED] comments:

- Party Wall Agreement to be in place prior to work beginning, as work occurring on boundary
- Guttering of finished work not to overhang boundary as already shown in proposed elevations drawing (I understand it that [REDACTED] already noted this during [REDACTED] site visit).

Thanks,

[REDACTED]
