

Application for resurfacing the driveway

property address:
14 Bowershott
Letchworth
SG6 2ET

the existing driveway is shown in figure 1 and as seen not in a good shape. The proposed driveway is shown in figure 2 and the to the scale plan can be found in figure 3. The proposed cover for the surface is standard paving blocks in grey (neutral colour). As the ground level falls from street towards the house, we are planing to install acco drains close to the front of the house which will be connected to the soak-away. No trees or Hedges are going to be altered as part of this plan.

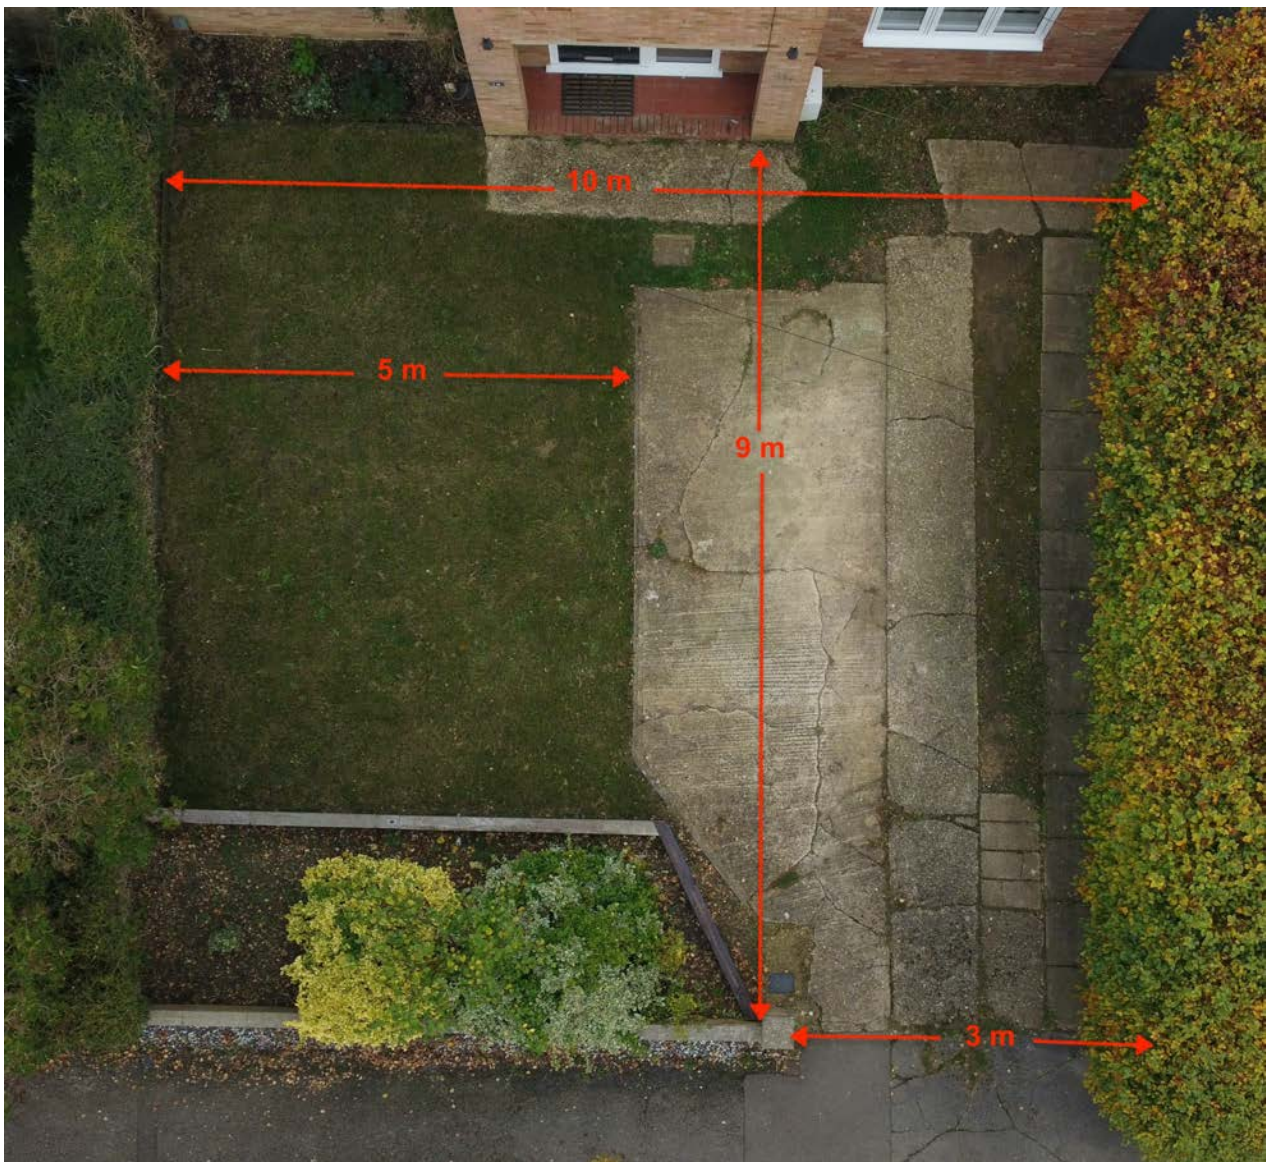

Figure 1: Photograph of the existing drive way with dimensions

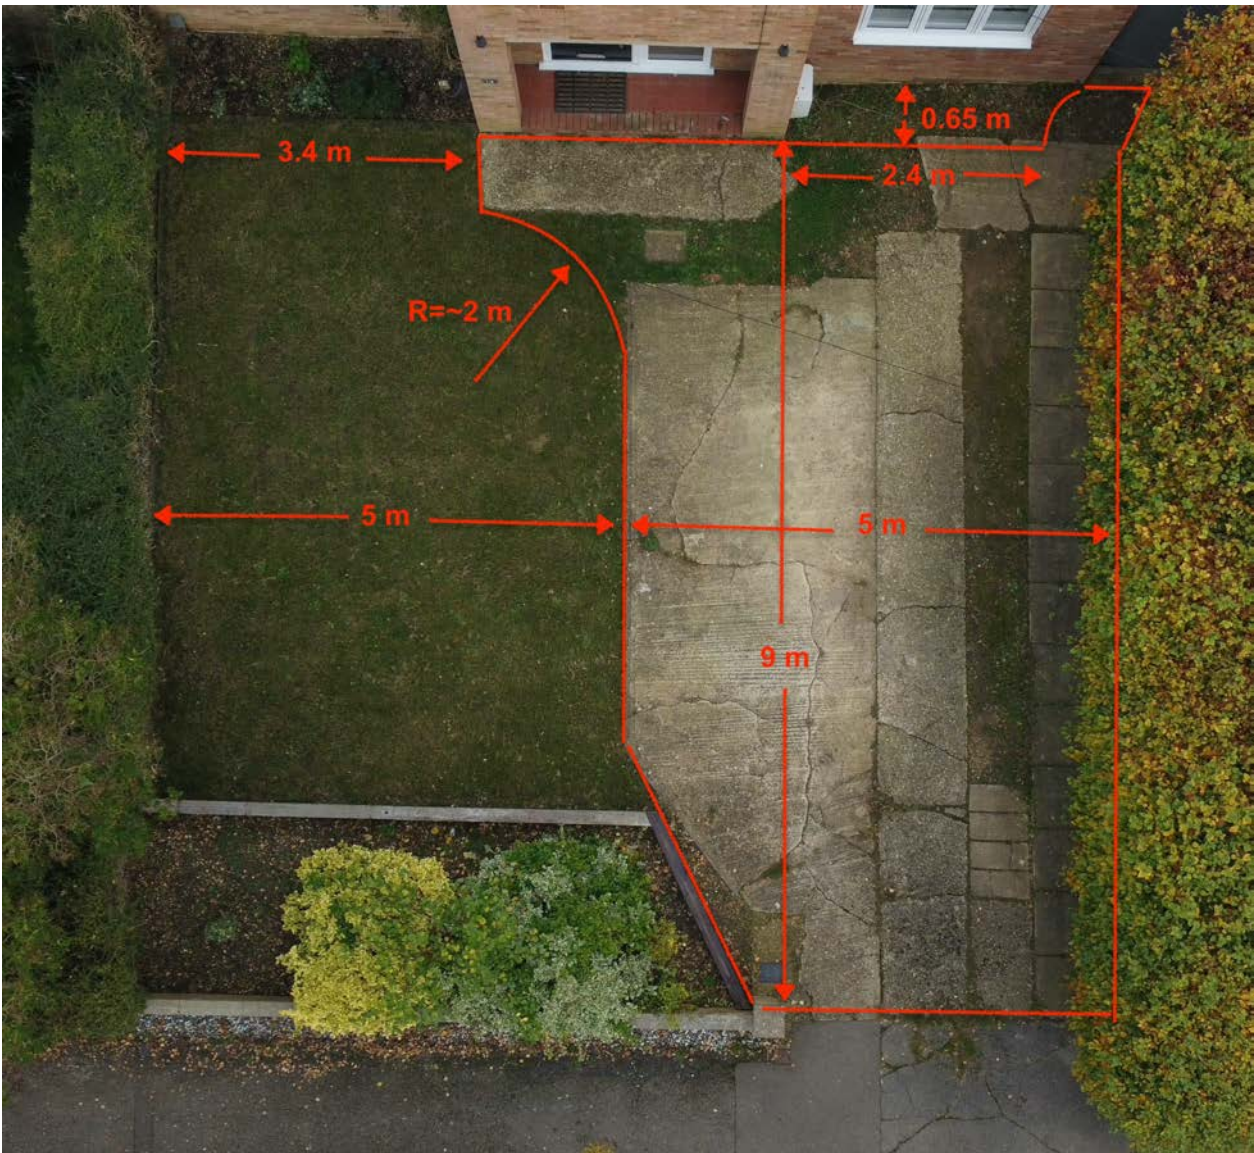

Figure2: Proposed layout for the driveway, the red lines shows the proposed premier of the driveway,

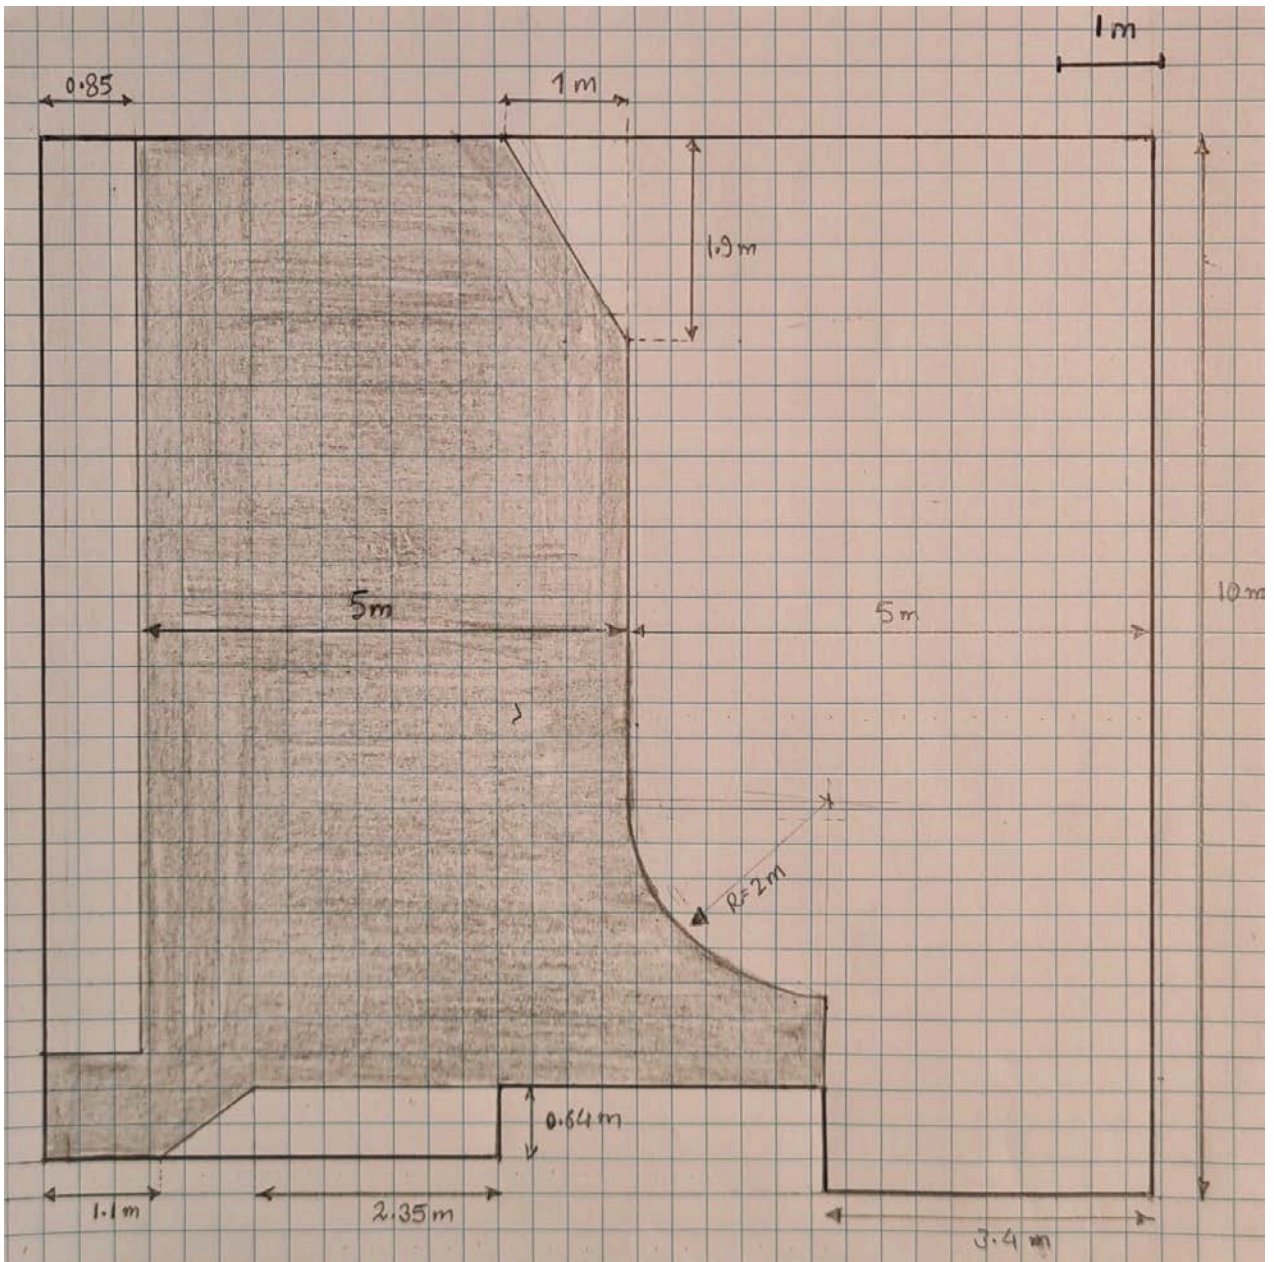

Figure3: Proposed layout for the driveway, the greyed out are is the surface that will be paved.
