

Rear Elevation example

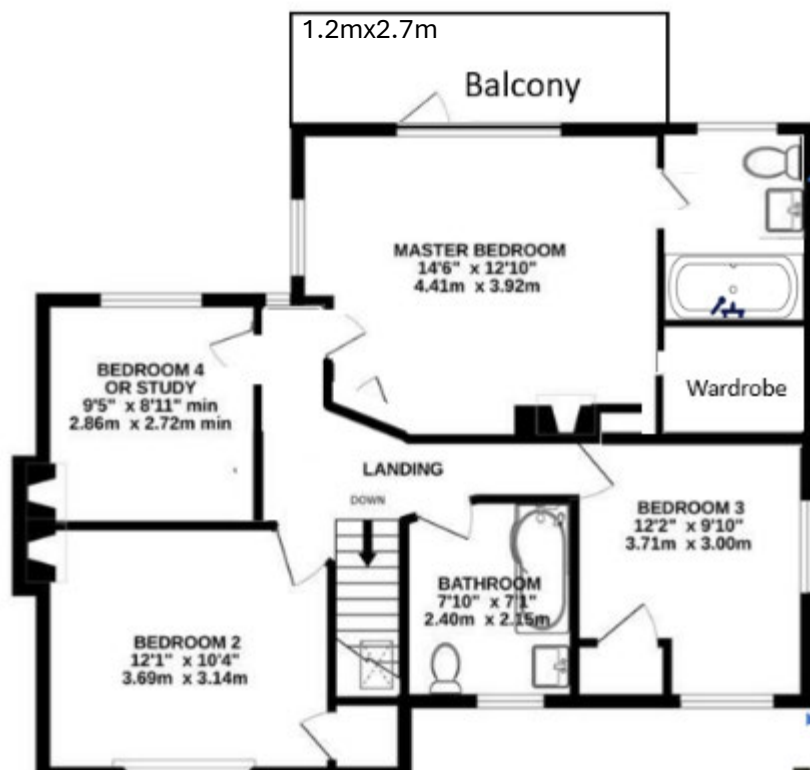

Existing rear elevation

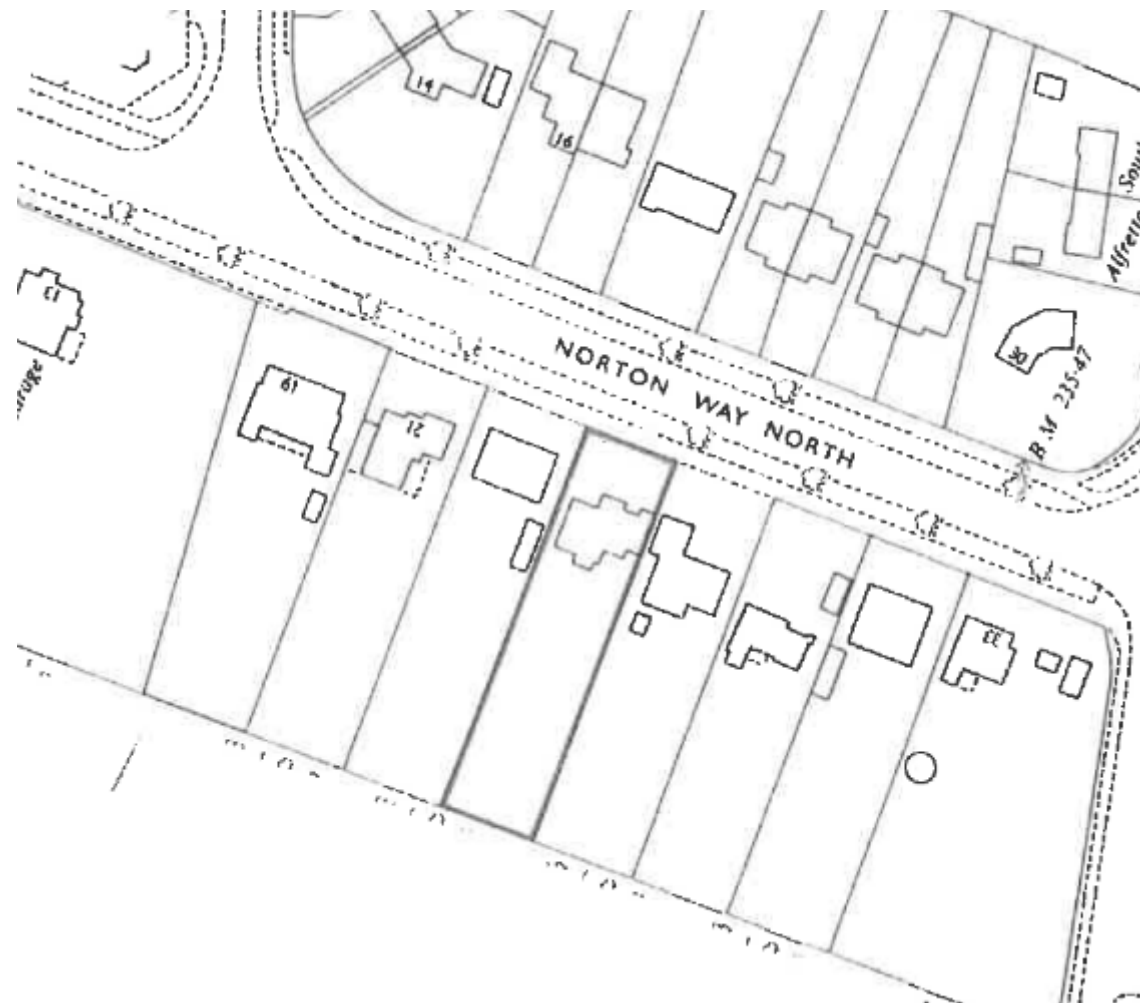

Impression of the rear elevation

Floor plan

Showing the balcony added

Block plan

A view towards number 1 from existing master bedroom window; addition of a balcony replacing the roof (which can be seen in the photo) would not mean any additional “overlook” of neighbouring garden.

A view towards number 1 from existing master bedroom window; addition of balcony replacing the roof (which can be seen in the photo) would not mean any additional “overlook” of neighbouring garden.
